It was a great season due to the second effort, dedication, and hard work on the part of our twenty-two boys. The season ended 5-5 --second in the Tri-County. Hopefully the Rebels' winning attitude will carry over into the next season for another winning year. Personal thanks to the administration, coaches, students, and community for the fine support we received throughout the year. Good luck to the graduating seniors who have learned that hard work and discipline will result in success throughout life.

On Friday, September 30, Mary Papania became the 1977 Football Homecoming Queen. She was crowned before the game by last year's queen, Mona Lou Rupert. During the week, the whole student body took part in activities which highlighted the entire week. Some of them were Slave Day and Dress-Up Day. The night of the game, the entire team was psyched up and ready to go. But United proved to be more powerful than the Rebels. After the game, the traditional Homecoming Dance was held in the multi-purpose room with "Casan" providing the music.

1978 HOMECOMING

On February 3, 1978, Deb Cope was named 1978 Homecoming Queen. The Rebs had their work cut out for them as they tried to stall the Sebring Trojans. The Trojans thought that they would have an easy victory over the Rebs. But Coach Truman came out with a different game plan than the Trojans were used to. They were quite confused and didn't score the high score that they were expecting to. Although the Rebs lost 18-11, they proved to everybody, but mostly to the Trojans, that no one can score an "easy victory" on the Rebs.

The cheerleaders learned to work together at practices, camp, and games. Miss Humphries was advisor to the girls and her artistic talent and helpful suggestions were much appreciated.

Pompom routines and a parachute dance added to halftime entertainment at the games. All in all, the cheerleaders had a successful year supporting the teams.

The Reserve Basketball team this year was strong on aggressiveness and spirit. The players that were on the team all season are the type that you should be proud to have representing your school. Coach Ramsey.

All aboard!

Enjoying the view kids?

Just taking it easy.

Whoa!

The highlight of the year for the Juniors was the prom, held on the "Liberty Belle" cruise ship in Pittsburgh on May 19. Everyone had a great time. To raise money for the prom, the Juniors operated a concession stand at the home basketball games and at the athletic boosters' donkey basketball game. All in all, it was a year of hard work and fun for the Class of '79. Thanks go to Prom Advisers Mrs. Darby and Mrs. Patterson and to Junior Class advisor, Mr. Leonard.

Spanish Club This year's Spanish Club was filled with many activities and fund raising projects. At the top of the list was the hayride. Next, we spent a fun afternoon washing cars to raise money. Many people participated in selling stationery and calendars which was profitable. We also sponsored a Snowball Dance which had a great turn out. A lot of preparation was put into the Spanish skits and play which was the highlight of this year's Spanish Club activities. In April the auction and bakesale added to the list of projects. Everyone looked forward to the banquet in May which was held for the parents and members of the Spanish Club. We closed the year with a picnic for the members. FRESHMEN

Anticipation ran high as the Freshmen began their first year of high school. After electing their class officers, the Freshmen chose their class colors as blue and silver, the class flower as the carnation, and their motto as, People can be divided into three groups: Those who make things happen. Those who watch things happen. Those who wonder what happened. The enthusiastic group sold popcorn and held a paper drive to earn money for the treasury.
